## Madera Values Quarterly Testimonial

Dan Cappelluti, Madera Cleaners and Laundry.

MADERA CLEANERS

After running one ad in Madera Values Quarterly magazine, I received a very good response that I would normally not get advertising elsewhere. The ad looked great and all the information I wanted was included. The extra bonus was that my business information, ad and coupons were included on the Madera Values Quarterly website, Twitter and Facebook free of charge so my customers could print the coupons online and use in my business any time. The ad paid for itself in one week's time.

Thanks Steven Rios and Madera Values Quarterly.

## Service Leadership Community

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.

The name "Kiwanis" means "we trade" or "we share our talents." It was coined from an American Indian expression, Nunc Kee-wanis.

Kiwanians are volunteers changing the world through service to children and communities. Kiwanis members help shelter the homeless, feed the hungry, mentor the disadvantaged, and care for the sick. They develop youth as leaders, build playgrounds, raise funds for pediatric research, and much more. No problem is too big or too small. Why? Because working together, members achieve what one person cannot accomplish alone. When you give a child a chance to learn, experience, dream, and succeed, great things happen!

Money raised through club dues and projects provides scholarships to both high schools, donations to worth-while projects such as Kenny Taylor Boy of the Month and Year; Student of the month; Madera Arts Council Concerts in the Park; Special Olympics; Miracle Mile of Quarters; Officer of the Year; Junior Livestock Auction; Madera High Robotics team; Little League Sponsor; Academic Decathlon; Childrens Hospital Kids Day; Downtown Banner Change; Torch of Excellence...
