# Service Leadership Community

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.

The name "Kiwanis" means "we trade" or "we share our talents." It was coined from an American Indian expression, Nunc Kee-wanis.

Kiwanians are volunteers changing the world through service to children and communities. Kiwanis members help shelter the homeless, feed the hungry, mentor the disadvantaged, and care for the sick. They develop youth as leaders, build playgrounds, raise funds for pediatric research, and much more. No problem is too big or too small. Why? Because working together, members achieve what one person cannot accomplish alone. When you give a child a chance to learn, experience, dream, and succeed, great things happen!

Money raised through club dues and projects provides scholarships to both high schools, donations to worth-while projects such as Kenny Taylor Boy of the Month and Year; Student of the month; Madera Arts Council Concerts in the Park; Special Olympics; Miracle Mile of Quarters; Officer of the Year; Junior Livestock Auction; Madera High Robotics team; Little League Sponsor; Academic Decathlon; Childrens Hospital Kids Day; Downtown Banner Change; Torch of Excellence...

**Projects that enhance our communities' livability and educational opportunities for our youth.**

Madera Kiwanis Club Members

## JOIN US

We meet every Thursday at 12:00pm at the Cedar Creek Retirement Center's Dining Room.

Becoming a Kiwanis member has never been easier. Call or send us an e-mail for an application. Join the club that brings you Madera's parades: Old Timers Day, Christmas Tractor Parade of Lights and Wine Stroll, & the Halloween Parade. Join the Madera Kiwanis in providing scholarship opportunities to the youth of Madera or as a member identify your project to improve the community or service to our youth.

### Madera Values Quarterly Testimonial

*Kurt Peters, Peters Brothers Nursery*

I highly recommend Madera Values Quarterly magazine to any business owner in Madera. The ad was professionally designed and was highly effective in returns for my business. I like that my customers can use the coupons in the magazine and print them directly from the Madera Values Quarterly website for future use. The ad paid for itself and has brought me former customers and new business!

### Dry Cleaning and Pricing

Some customers ask "why does it cost more to clean a women's blouse than a man's shirt"? The answer is simple; it takes more time and labor. All base prices should be the same for men's or women's items but upcharges are added for more labor intense articles. Items are subject to upcharges if the items cannot or do not fit on the finishing equipment leaving more hand finishing. Men's double and triple extra-large shirts, extra heavy starch items, women's blouses, just to name a few. All items are not created equal, and if

processed equally it would ruin a lot of clothes. It may cost a little more for some items to be processed but in the long run your clothes will look better and last longer.
